

Have you ever wondered how to get there from here or what all those crazy lines on a map mean or how to use a compass and how it relates to a map?

Come find out from Robert Eversole, the Trailmeister, at the Raging River Riders meeting on Thursday, March 1 at 7:00 at Valley Christian Assembly in Fall City.

Compass use and map-reading will be gone over as well!!

On March 10, a more in-depth presentation of these topics will be at the Grange in Issaquah from 1pm-5pm, brought to you by the Sammamish Saddle Club. \$15 if preregistered or \$20 at the door.
